PCF RECIEVES AWARD FROM LA CITY COUNCIL

On November 27, 2019 - LA City Hall, the Pet Care Foundation received the coveted Certificate of Recognition from the Los Angeles City Council for their important work saving animals in the Los Angeles animal shelter system. Led by Councilmember Paul Koretz, the award acknowledges the Foundation’s work with adoption events, pet adoption television programming, pet grooming program, and social media networking.

Since its inception in 2004, the Pet Care Foundation has found homes for over 40,000 cats and dogs. Councilmember Koretz said, “This Foundation is a leading example of what a nonprofit can accomplish. Their work has lowered the euthanasia rate 20% which is a major effort to save animals.”

Bill Crowe, executive director of the Foundation continued, “We are thrilled and honored to receive this award and will continue to work hard to save more and more lives.”

Pet Care Foundation is a nonprofit organization created by Paula Kent Meehan who served as president until her death in 2014.

Marcia Hobbs, President of the Foundation said, “It was Paula’s dream to save the lives of homeless pets. We are dedicated to continue what she started – saving pets in the Los Angeles area.”
